

**Amendment to the Views and Estimates of the Committee on Financial Services,  
offered by Rep. Heck of Washington**

**On page 15, at the end of line 2, insert the following:**

The Bureau has a dedicated Office to protect military men and women. The Committee commends the Bureau and its Office of Service Member Affairs ~~for fast and effective work~~ identifying abuses of military members and their families and in legal action and education to protect those Americans who protect this country.
