

EXPORT-IMPORT BANK  
OF THE UNITED STATES

FRED P. HOCHBERG

CHAIRMAN & PRESIDENT

April 23, 2014

The Honorable John Boehner  
Speaker of the U.S. House of Representatives  
United States House of Representatives  
H-232, U.S. Capitol  
Washington, DC 20515

Dear Mr. Speaker:

Pursuant to the Export-Import Bank Act of 1945 (12 U.S.C. § 635 et. seq), as amended, I respectfully submit the enclosed proposed legislation to authorize the Export-Import Bank of the United States (Ex-Im Bank) for the period of October 1, 2014 through September 30, 2019. Ex-Im Bank is the official export credit agency of the United States; its mandate is to facilitate the financing of U.S. exports in order to create and maintain U.S. jobs. A section-by-section analysis explaining the proposed legislation is enclosed.

In Fiscal Year 2013, Ex-Im Bank authorized \$27.3 billion in U.S. exports representing a total export value of \$37.4 billion and supporting 205,000 U.S. jobs. In addition, last year the Bank generated and sent more than \$1 billion in fees to the U.S. Treasury for deficit reduction.

The Office of Management and Budget advises that there is no objection to the submission of this proposed legislation and that its enactment would be in accord with the legislative program of the President. If you have any questions, please do not hesitate to contact me.

Sincerely,
