**Amendment to the Views and Estimates of the Committee on Financial Services on Matters
to be Set Forth in the Concurrent Resolution on the Budget for Fiscal Year 2019**

Offered by Mr. Kildee of Michigan.

On page 8, line 30, after “communities and quality affordable homes for all.”, insert the following:

HUD’s responsibility also includes programs that critical to America’s cities and towns. Year over year the Committee has seen investment in these communities decrease, leading to cities and towns that are on the brink of insolvency. As part of its jurisdiction, the Committee urges HUD to reexamine how it is investing in these essential communities.
